

Badshot Lea Village Infant School

Newsletter Number 14

Tuesday 26th April 2011

**Dear Parents,
Welcome Back**

Welcome back to school after the gloriously sunny Easter Holiday. We hope you really enjoyed the break. We welcome Miss Kayleigh Adams to our school. Miss Adams will be teaching Sun Class for the Summer Term. Do please introduce yourself to her when you have the opportunity, she is very keen to meet everybody.

There are lots of exciting activities and events taking place this term - but more of that in the next newsletter as the most important news today is that we received our Ofsted Inspection Report this lunchtime.

Ofsted Inspection Report

We are really very pleased with our Ofsted Inspection Report. Badshot Lea Village Infant School is a good school overall, with seven areas highlighted as 'outstanding'. This is brilliant news.

Thank you so much to everyone for your support of our school and in particular for completing and returning the Ofsted Questionnaire and speaking to the inspectors during their time at school. We really appreciate your support.

We will now look at the Ofsted Inspection Report in detail and, with the Governors, plan any improvements or developments for the school community. This will be reflected in our School Development Plan for next academic year. If in the meantime you would like clarification on any point, or would like to discuss any issue raised in the Ofsted Inspection Report, do please contact me.

Yours sincerely,

Jan Weir
